Details: costume, arm ruffles. It is a professional stage costume, which is made on the basis of the professional basic tutu #T0001 (see section "Basic tutus"). The bodice on elastic straps is made of the semi-stretched dense fabric. There is a flesh-colored inset on the chest. The bodice has two rows of hooks for the comfortable adjustment and an inner cord to tighten the bodice at the chest level. Braid, sequins, crystals, and beads are used to create an exquisite patterned composition on the bodice and on the lid and impart a magnificent festive look to the costume. Gentle arm ruffles are trimmed with golden or silver braid and are also embellished with simple patterns made of sparkling braid. All the decorative elements are selected in accordance with the costume's tint. The costume can be carried out in another color.
