

This tutu skirt is bell shaped and comes in a standard skirt length of 38 cm. Where desired customers can request the skirt be made 5-10 cm longer than standard length. It is constructed using eight-ten pleated graduated net layers of rigid tulle built on net panties with a 10 cm basque, with each successive layer being 2 cm shorter than the previous layer. The tutu skirt is attached to an elastic waistband, and a steel resilient hoop is inserted in the middle layer with two extra short ruffles on the edge. This hoop is designed to help maintain the shape of the skirt. Six large hooks and eyes are attached at the back to fasten the skirt. The rehearsal ballet tutu is professionally designed and is available for both adults and children in a variety of colors. Please note there are no decorations included in the price, however every basic tutu can be decorated at additional cost. This is ideal as a basic skirt for any decorated professional stage or ballet costume. Tutu bags are available for those who want to transport their costumes more safely.
